For anything else?

Announcing the Play it Again Sports VIP Card!

Here's the game plan: You, your team or organization sells the VIP Cards for \$10 each. Two weeks after check out you bring back any remaining cards. For every \$10 card you sell, you keep either \$7 cash or \$9 Store Credit!

The cards are easy to handle, there is no Pre-payment or deposit required. They do not break, melt or need to be frozen/delivered after ordering; and since there are 16 Businesses with discounts on the cards, they practically sell themselves. Your buyers will save many times the \$10 they spend to support your team or organization.

For more information or to start selling cards, stop by either Play it Again Sports, 11309 E. Kellogg or 8815 W. 13th street. You can also contact Jason Giffin (coachgiffin@lycos.com or 316 461-8953) for additional information or opportunities
